

**5CCT
WITH NIGHT LIGHT
13" LED FLUSH MOUNT CEILING LIGHT**

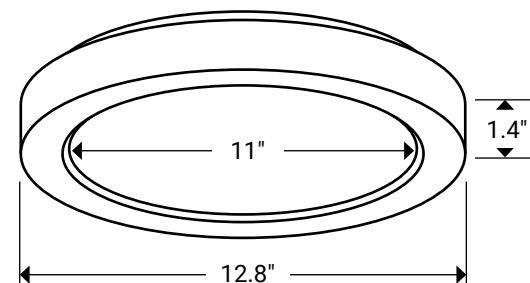

This Parmida LED 5CCT Flush Mount Ceiling Light is a slim surface mount light with an ambient Night Light feature, making it ideal for both bright and soft illumination. Simply activate the 2000K ambient backlight mode by switching the light off and on again. This light's low profile, flat panel design makes it an ideal choice for your kitchen, laundry room, dining room, bedroom, living room, kids room, office, hallways, closets and more. This ceiling light is compatible with most junction boxes, slide and lock the mounting bracket for a simple installation that can be completed in minutes. Safety rope and all other necessary accessories included to ensure a hassle free installation. Set the color temperature of your light to the desired level with a simple flip of a switch. Choose between Warm White (2700K), Soft White (3000K), Neutral White (3500K), Cool White (4000K), and Day Light (5000K). 100-5% smooth dimming capability (please refer to compatible dimmer list). Compatible with most LED dimmers.

Weight: 1.8 lbs.
