

LED PAR20 LIGHT BULB

DIMMABLE

Weight 57g
Dimensions 2.48" x 2.48" x 3.19"

The Parmida LED Technologies™ PAR20 LED Bulb is an enhanced and modernized flood light that will produce a wide spot beam spread angle. UL-listed for wet locations, this PAR20 LED flood light is perfect for indoor and outdoor applications. Made with impact resistant, fire-rated polycarbonate material, this product is light, outstandingly tough and maintains its original color over time. This product is built with Steady-Dim technology and is compatible with most modern LED dimmers.
