24V

24V COB LED STRIP LIGHT

These Parmida LED Technologies COB Strip Lights are the perfect way to elevate your home. Upgraded COB design means densely distributed LED chips to create a smoother and more uniform lighting effect than traditional SMD strip lights. Flexible and cuttable every 2 inches at the terminals, ideal for your TV (backlight), cabinet, closet, bedroom, kitchen, and many more applications for DIY lighting in your home. Comes with 20 feet of lighting as well as a clip connector and a 4 in extension wire clip. These lights require a 100-240V AC input and a 24V DC/3A adapter with a male DC connector for the output. RF Remote & Power Supply Not Included.

Weight: 0.3 lbs.
Dimensions: 20' x 0.4"

MODEL NUMBER

PLED-CSTR27K-24V-20FT	2700K Warm White
PLED-CSTR3K-24V-20FT	3000K Soft White
