24V COB LED STRIP LIGHT KIT

These Parmida LED Technologies COB Strip Lights are the perfect way to elevate your home. Upgraded COB design means densely distributed LED chips to create a smoother and more uniform lighting effect than traditional SMD strip lights. Flexible and cuttable every 2 inches at the terminals, ideal for your TV (backlight), cabinet, closet, bedroom, kitchen, and many more applications for DIY lighting in your home. Comes with 16.4 feet of lighting as well as 2 clip connectors, RF remote, and 24V power supply. Included remote allows for easy adjustments to dimming and mode (jump, fade, and strobe) for your strip lights.
