

6.5 FT
5V USB

COB LED STRIP LIGHT KIT

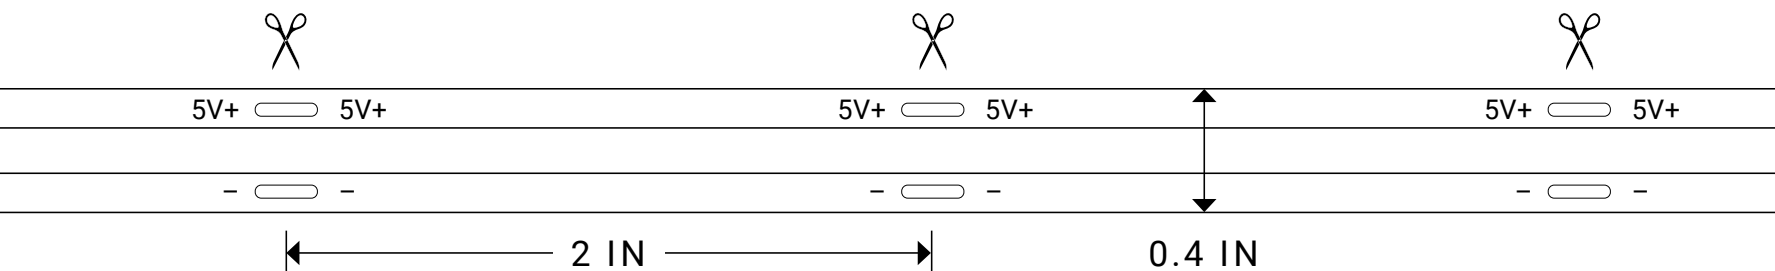

These Parmida LED Technologies USB Powered COB Strip Lights are the perfect way to elevate your home. Upgraded COB design means densely distributed LED chips to create a smoother and more uniform lighting effect than traditional SMD strip lights. Flexible and cuttable every 2 inches at the terminals, ideal for your TV (backlight), Cabinet, Closet, Bedroom, Kitchen, and many more applications for DIY lighting in your home. Comes with 6 feet of lighting as well as a dimmer to create the perfect ambiance. These strip lights can be powered by any device with a 5V/2A USB port (USB phone charger, power bank, computer, USB socket, etc).

Weight: 0.2 lbs.
Dimensions: 6.5' x 0.4"
