24W 4FT LED T8 TYPE B TUBE

The Parmida LED Technologies 4FT LED Direct Wire Type B T8 tube can be installed by a simple bypass of the ballast. This tube can be installed with a single-ended or dual-ended connection and it can install directly into your fixture's original shunted sockets (tombstones), eliminating the need to retrofit your fixture with non-shunted sockets. These lights use only 24W to emit 3000 lumens (equivalent to 55W in fluorescent tubes), making them extra bright and energy efficient.

Weight: 0.43 lbs.
Dimensions: 48" x 1" x 1"

MODEL NUMBER

PLED-T8DS24W3K-F	3000K Soft White
PLED-T8DS24W4K-F	4000K Cool White
