

LED QUAD HEAD SECURITY LIGHT

MOTION SENSOR ACTIVATED ADJUSTABLE

The Parmida LED Quad Head Security Light is a highly functional and adjustable light that provides strong lighting from multiple angles. This light can be installed both indoors and outdoors, and comes with a motion sensor with several lighting options, including a dusk-to-dawn setting, offering you multiple ways to use your light. With a 360 degree beam angle, 90 degree adjustable LED leaf heads, and a strong polycarbonate body that can be mounted to a wall, the Quad-Head Security Light is a reliable security light with an attractive design that comes in a black or white finish.
