UFO LED LIGHT

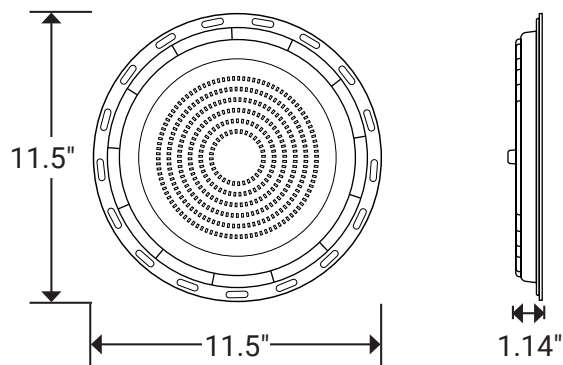

The Parmida LED Technologies 150W UFO Shop Light is a bright, plug-and-play lighting solution that will transform any working or commercial environment. Each fixture delivers 19500LM of 5000K daylight or 6000k cool white, ideal for any task or workspace. Designed for easy installation, each fixture comes equipped with a 5FT power cord, hooks, and Safety Rope for secure suspension. Constructed with energy-efficient materials, these lights are ETL certified, IP65 waterproof rated, and support 100-277V input with 0-10V dimming capability. Each fixture delivers a long-lasting 30,000-hour lifespan and is backed by a 5-year warranty. Available in convenient 2-pack and 10-pack options.

Weight: 1.9 lbs.
Dimensions: 11.5" x 11.5" x 1.14"
