Bunnies!

A Hopping New Musical

By
John Jacobson and Walter Jack

The neighborhood is overrun with bunnies. They are such good friends and frankly, just adorable.

They are going to the Annual Bunny Hop. The only problem is they must pass through a forest full of wolves to get there. The pack of wolves are howling and hunting for tasty bunnies. But the wily bunnies charm the hungry wolves with their irresistible adorableness. The wolves couldn't imagine eating such cute critters and seem to be quite happy with the alternative diet choices the bunnies offer them. In the end, the entire cast arrive at the Bunny Hop and everyone starts dancing and hopping, including the audience.

The Cast:

Bunnies and Wolves (As many as possible)

Scene 3

Wolf 1:

We're so scary! We're so tough!
We can huff and we can puff!

Wolf 2:

Man or woman, pup or child,
Listen to the call of the wild!

(Grow!!)

Wolf 3:

Wolves! Wolves! I hear them humming.
Lots of bunnies! I see them coming.

Wolf 4:

Dozens of bunnies, believe it or not,
'Cause where there is one, there will be a lot!

Wolf 5:

They're getting close, we're getting hotter.
Just the thought makes my big mouth water!

Wolf 6:

Quick now before we are spied,
No more howling, come on let's hide!

(The wolves hide and the bunnies enter carefully.)

Scene 4

The bunnies enter the woods where the wolves are hiding in plain view of the audience. The bunnies talk about their best defense, being fast and being adorable. They decide they cannot outrun the wolves so they do an adorable song.

Bunny 1:

Be on your toes! Be ready to run!
This part of the woods is not much fun!

Bunny 2:

Oh yes! This is the scary part.
But don't worry those wolves are not too smart!

Wolf:

Hey! Not too smart?

(One wolf is offended and tries to break out and attack. His pack holds him back.)

Bunny 3:

If there are a lot of them what will we do?
Run very fast that will get you through.

(Energizer Bunny runs across the stage.)

Bunny 3:

Like that!

Bunny 4:

I'm not that fast, but I have other talents.
My cuteness will have to keep them off balance.

Tutti:

(Shocked at the absurdity)

Your cuteness!?

Bunny 5:

If a wolf shows up, we all better scoot,
Wolves don't care whether or not you are cute.

Bunny 4:

But being adorable has worked in the past,
It better work now cause I'm not very fast.

Bunny 6:

Look at us, we are different as can be.
But one thing we share is as clear as can be.

Tutti:

We're adorable!

Song 4

Adorable

We've got big ears and cool bushy tails.
Our cute factor is off the rails.
Just look at us and you will see
We're adorable.

We wiggle our nose in the sweetest way,
And hop, hop, hippity, hop all day.
We'll win you over so easily,
We're adorable!

We've got big feet and that's a plus.
We run so fast you won't catch us.
Our best defense is our fleet feet,
But just in case we're awfully sweet.

Adorable!
We're just adorable.
Adorable!
Underground or up above.
Adorable!
We're just adorable.
Look at us.
What's not to love?

We've got big feet and that's a plus.
We run so fast you won't catch us.
Our best defense is our fleet feet,
But just in case we're awfully sweet.
