Pandamonium

Oh dear! Oh no!
What a wacky world of woe!
Trouble, trouble ev'rywhere,
On the ground and in the air.
Trouble, trouble through and through.
What are we supposed to do? Ahh!

Oh yikes! Oh wow!
We are all in danger now!
Panic! Panic, all around.
In the air and on the ground.
Panic! Panic makes me sad,
Ev'rything is looking bad. Ahh!

One woe is a bragger, naughty as can be.
One woe is a bully and he's coming after me.
That woe is so greedy. That one full of fear.
Lazy, no one caring. Get me out of here!
