Just Try

Try, give it a try,
Just try give it a try.
Try hard and you will find,
that you could do it all the time.
If you have a problem that is tough for you,
don't give up, try a way that's new,
A different angle you'll sometimes see
will solve the problem so easily
So try, give it a try
Just try, give it a try,
Try hard and you will find
that you could do it all the time.

TEACHER: Time for Earth Gazing. You will each write a paragraph on your observations for Homework.

(Idea - project pictures of each scene)

SHINY: I see a herd of elephants in Africa.

SILVER: I've got North America in focus tonight. What a huge country and so few people. Wait... I see a Village. It must be supper time. Looks good!

WISHING: All Right!! I get the Arctic tonight! Polar Bears and ice and snow!

TWINKLE: I've got Bethlehem tonight. I can see a couple traveling by donkey. They look happy but they look very tired. They must be going to Bethlehem. Bethlehem is full of travelers tonight - I hope that they can find a place to stay.

SHINY: Trust Twinkle to find something boring to watch.
I'll stay with my elephants.
