Count down two projects at the same time. This 2-n-1 product has a timer for projects over one hour, AND one for those less than one hour.

**To Set Either Timer**

1. Press SEC (Seconds) and/or MIN (Minutes) and/or HOUR buttons to set timing period desired.
2. To advance the number at a faster rate, press and hold the button down.

**To Start the Timers**

1. After the timing period is set, press the START/STOP button to start the count down.

2. When the timers reach zero, the buzzer will ring for 30 seconds or until the START/STOP buttons are pressed.

**To Stop or Reset the Timers**

Press START/STOP button to stop or reset either timer. It can be restarted by pressing the START/STOP button again.

**To Clear The Timers**

To clear the times shown on the timer, first press START/STOP button. Then press both the HOUR and MIN buttons on the hour timers and/or the MIN and SEC buttons on the short project timer at the same time until zero is indicated.

**Built In Memory**

The same countdown period can be repeated by pressing the START/STOP button after the alarm sounds.

**Replace Battery**

The timer takes one AAA alkaline battery. After the battery is inserted CLEAR the timers as indicated above to reset them. DISCARD USED BATTERY IMMEDIATELY. KEEP BATTERY AWAY FROM CHILDREN. **CAUTION:** To prevent personal injury, never place battery in mouth for any reason as it is small and can be swallowed.
