CUSTOM DYE/SUB

PROTIME SPORTS is excited to offer a fully customizable line of Dye/Sub volleyball jerseys. Dye/Sub allows teams and clubs to brand their players in a custom look that is as unique as the players and the program they represent. Your brand is the sum total of perceptions, impressions and feelings about your organization; this is the opportunity to stand out among the competition. The Dye/Sub technology prints high quality permanent ink onto performance fabrics. Choose from a library of jersey patterns and designs, mix colors and patterns, and add logos, numbers and names to create your one of a kind uniform.

PATTERNS

DYE/SUB & FULL COLOR NUMBER PATTERNS
 DYE/SUB textures add more depth to your jersey or shorts giving you an even more custom look. Add the textures to the body of the jersey, or in the different designs in the jersey itself, the shorts or in the player numbers. The textures are placed over the top of the existing designs to give the uniform more definition.
