INFORMATION TO USERS

Pursuant to Legislative Decree No. 49 of 14 March 2014 "Implementation of Directive 2012/19 / EU on waste equipment electrical and electronic (WEEE)".

The crossed-out wheeled bin symbol shown on the appliance indicates that the product must be at the end of its useful life collected separately from other waste. The user must therefore confer the equipment complete with essential components at the end of its life at the appropriate separate collection centers for electronic and electrotechnical waste or return it to the dealer when purchasing new equipment of an equivalent type, at the rate of one to one, or 1 to zero for the equipment with a longer side less than 25 cm. Adequate separate collection for the subsequent start-up of the equipment discharged for recycling, treatment and compatible environmental disposal helps to avoid possible negative effects on the environment and health and promotes the recycling of the materials that make up the equipment. Abusive disposal of the product by the user entails the application of the administrative sanctions pursuant to Legislative Decree No. 49 of March 2014.

FOR INTERNAL USE ONLY

This lamp is intended for dry and indoor environments; disconnect the appliance from the power supply before adding or replacing the light bulb.

Light bulb not included.

KIRSCHON

SIGNATURE COLLECTION

Warranty

2 YEARS

It covers all manufacturing and material defects of the current lamps of the Kirschon brand purchased from an authorized shop. Because each lamp is handmade, it makes each piece unique and slightly different in shape and color. This considered, the warranty does not cover slight differences in color and shape of the lamps.

It does not cover damages caused by improper use by the person purchasing the lamp. This warranty is not valid for damage caused by accidents, neglect, unauthorized repair or other unauthorized factors arising from defects in materials or workmanship, or if the valid proof of purchase is not included.

For each lamp warranty service, your item will be examined. If a manufacturing defect is present, we will replace it with a product of the same model or equivalent of equal value, based on the purchase price.

For repairs that fall under the above warranty, you can return your lamp to the following address, together with the guarantee issued by your shop:
