At Baku we want you to be fully satisfied with your online purchase – but if for some reason you are not 100% happy, here's what to do next. We offer quick and simple returns and exchanges as long as they are received within 31 days from when your original order was placed.

Fill in the online returns / exchange form (other side of this page)

Please ensure your name and invoice number is correct – as these are the most important details to process your refund / exchange.

Would you like to refund your item/s?

Please indicate on your Returns form if you require a refund. Indicate a reason for the return by choosing either A, B, C, D or E.

Refunds will not be issued for change of mind on sale items.

Would you like to exchange your item/s for a different size or different product?

Please indicate the items you would like to exchange for in the 'I'd like to receive' box. If the total of your exchanged goods is **MORE** than the cost of your original goods, please provide your credit card details in the bottom section of the other side of this page.

The online returns / exchange form is applicable to online purchases only. If you purchased an item from one of our stores, please refer to your receipt for terms and conditions.

Pack your product/s

Please pack all items in their original condition with swing tags and hygiene stickers attached along with the original online returns / exchange form in a secure package (to avoid damage when sending in the post). Please ensure that items are tried on over your own underwear in the interest of hygiene. If you are a resident of Australia, please take advantage of our free returns service provided by Australia Post by visiting the Parcel Returns Portal on our website. For international customers, we suggest using a method of postage that offers insurance and tracking as Baku Australia is not liable for lost return parcels.

Post the parcel

Please post the parcel to our online returns department:
