

Bracelet size guide

Before using the bracelet size guide, make sure it's printed on A4 paper size and scaled to 100%. To confirm this, place a credit card along the diagram below. If the card matches the scale, you're ready to measure.

(Credit card should fit here)

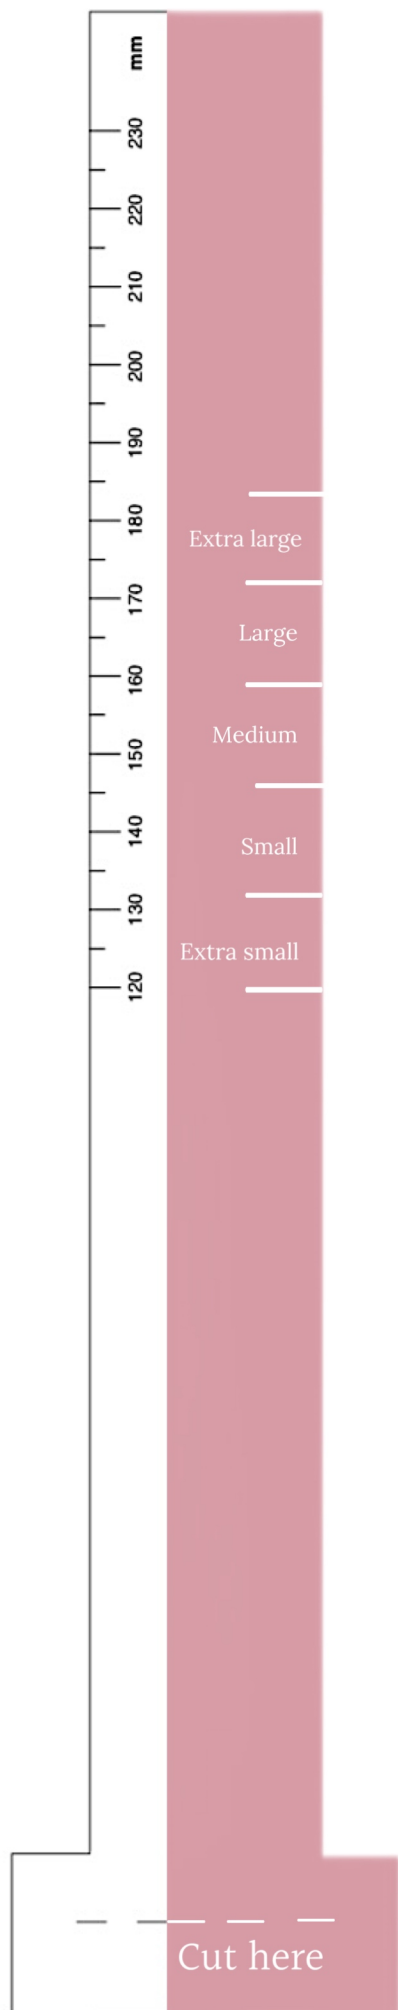

Step 1: Cut out the ruler.

Step 2: Cut a slit on the dotted line.

Step 3: Wrap ruler around your wrist with numbered side up.

Step 4: Slip the thin end through the slit, and pull until comfortable against your skin.

Step 5: The number that lines up with the edge of the slit is your wrist size in mm.
