

RING SIZING GUIDE

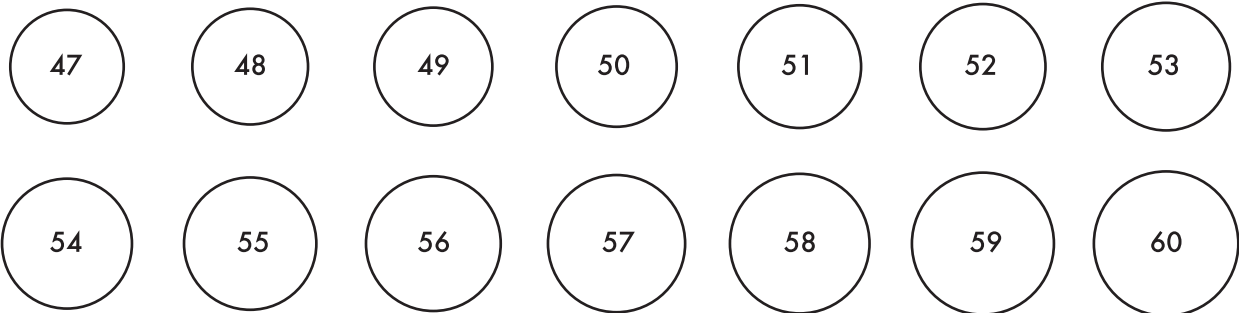

Save this and print. Make sure your printer is set to scale 100%.

A. MEASURE A RING YOU HAVE

Take a ring that fits your finger properly.

Place the ring over the circles below, matching the inside edge of the ring.

If the ring falls between two sizes, order the larger size.

B. MEASURE YOUR FINGER

Cut out the ring sizer below.

Cut the dotted line to create a slit.

Wrap the sizer around your finger. Make sure the numbers are facing out.

Pull the end of the tab until it's snug.

The number on the scale is your size.
