

COWHIDE

Authentic cowhides in natural hues bring warmth and texture to any space. A variance in color, shape and pattern is to be expected, and speaks to the one-of-a-kind nature of these unique area rugs and pillows. Chromium-free processing ensures eco-friendly tanning without the use of dyes, while leaving hides with a desirable crème-colored underside. Hides shown online are examples. Each will reflect its own character in a range of exotic patterns and hues, from light to dark brown.
