

Vessel Planter

Stainless
Steel

Brass

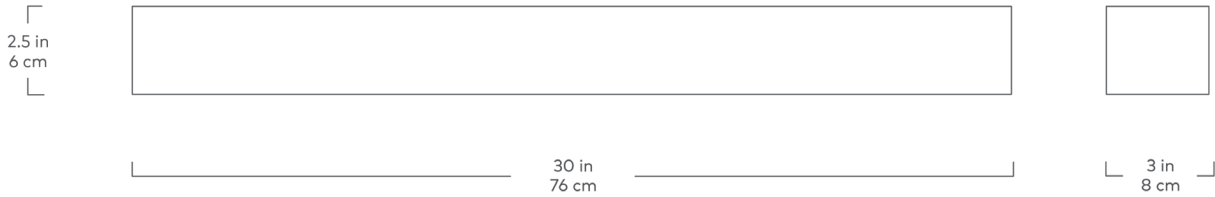

Pewter

Breathe life into your space with the Vessel Planter, a modern solution to display flora, fruit, and whatever else strikes your fancy. This slender watertight planter features a long rectangular silhouette in three metal finishes – pewter, brass, or stainless steel. Add shine while you dine, or place it outdoors as a sleek home for your succulents.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit guscontract.com for more information about our Trade & Contract programs.

Vessel Planter

- Made from 16-gauge stainless steel.
- Pewter and brass finish are vacuum-plated onto steel.
- Brushed finish is durable and easy to maintain.
- Felt pads on bottom to protect tabletop surfaces.
- Suitable for use indoors or outdoors.
