

LAMBSKIN

From luxurious area rugs to textural throw pillows, authentic unshorn lambskin fur brings softness to any space. Made in Argentina, chromium-free processing ensures eco-friendly coloring without the use of dyes, for a desirable crème underside. Light shedding plus a variance in shape, size and color is to be expected, and speaks to lambskin's natural character.

Care for Your Lambskin Products

Preserve the unique character of lambskin with these care essentials:

- > Avoid direct sunlight and harsh cleaning products.
- > Professional dry cleaning only.
