

## HEIRLOOM LEATHER

A sustainable twist on luxury leather. Sourced from one of the oldest family-owned tanneries in Italy's Bassano del Grappa, our heirloom leather is salvaged and processed from upcycled hides featuring an abundance of natural markings, scars and color variations. The result is beautifully supple, buttery soft hides with an unmatched depth of color and richness, and an authentic lived-in look.

### Care for Your Heirloom Leather Upholstery

Preserve the unique character of this premium upcycled leather with the following care essentials:

- > Dust lightly and vacuum regularly.
- > Keep out of direct sunlight.
- > Buff regularly with a clean, dry cloth.
- > Do not use oils or leather cleaner. Avoid ammonia or other harsh cleaning products.
- > Never use standard cleaning products on top-grain leather.
- > Address spills immediately by wiping with a damp, soft cloth.
- > Avoid direct contact between sharp objects and the leather.
- > For cleaning, call a leather professional.
