

High Performance Boards

Knauf Moisture Panel

Knauf high performance boards offer the convenience of plasterboard but with significantly higher performance in key areas. The Knauf high performance board range includes solutions for elements of fire, moisture, vapour, sound, impact resistance, X-ray resistance and even temperature regulation.

Knauf Moisture Panel is a high performance plasterboard for use in internal areas of high humidity and temporary external exposure.

Compliance: EN 520, Types A and H2.

Square Edge
