### WASH:

- Pre-treat stains
- Do not wash linen with other items such as towels.
- For optimum results, we recommend adding a high pH Detergent.
- Wash on Permanent Press cycle using hot water (minimum of 140°).
- Use slow spin cycle if available.
- Use non-chlorine bleach, if desired.

### DRY:

- Set dryer on permanent press cycle, medium heat with cool-down cycle.
- Remove promptly and fold.
