

## BRAND MANAGER (m/f) YOU LIVE BUCKLE & SEAM

### REVOLUTIONIZING THE EUROPEAN HANDBAG MARKET

We are Buckle & Seam, the fastest growing direct-to-consumer bag brand in Europe. Located right in the center of Berlin we aim to make a difference in people's lives, be it for our customer, our manufacturers or the children's school that we support in Pakistan with 3% of our revenue. We are the odd one out in the industry. We do not outsource. We do it ourselves, as a team, here and abroad. With you we want to go the next step. Your combination of analytical and strategic mindset paired with a sense of humor will be an ideal fit to join our dynamic & international team.

#### YOUR ROLE

- Brand management starts with the creation and communication, help us spread the word and go the next step
- Regardless of collaborations, PR, retail, fairs, or events, you live for the marketing world and embrace execution
- You will work with the marketing and product departments
- You have budget and P&L responsibility

#### YOUR PROFILE

- You have always wanted to combine marketing, communication, sales, and entrepreneurship
- You completed your studies in international business or marketing
- You have had 3+ years experience in marketing & communications
- You have a detailed eye for text and images
- You have a great sense of humor, are outgoing and fun-loving

#### PERKS

- High degree of responsibility and a steep learning curve
- Close work together with Founding Managers
- Competitive salary, free bags & an amazing office in the center of Berlin
