

SALES ACCOUNT MANAGEMENT INTERN PORTRAYING OUR UNIVERSE (m/f – immediately)

REVOLUTIONIZING THE EUROPEAN HANDBAG MARKET

We are Buckle & Seam, the fastest growing direct-to-consumer bag brand in Europe. Located right in the center of Berlin we aim to make a difference in people's lives, be it for our customer, our manufacturers or the children's school that we support in Pakistan with 3% of our revenue. We are the odd one out in the industry. We do not outsource. We do it ourselves, as a team, here and abroad. With you we want to go the next step. Your combination of analytical and strategic mindset paired with a sense of humor will be an ideal fit to join our dynamic & international team.

YOUR ROLE

- Support the expansion of our products into DACH and the EU
- Representation of Buckle & Seam to the outside retail world
- Market research of the premium leather bag market
- Competitors analysis and benchmarking
- Content creation and support of the sales team with first opportunities to pitch and close deals yourself.
- Maintenance of relationships with existing partners

YOUR PROFILE

- Current student or recent graduate with strong academic record in communications, business administration or equivalent experience
- Self-starter with energy and drive to push projects ahead independently
- PowerPoint and excel specialist who enjoys to communicate
- You are eager to learn and receptive to constructive feedback
- Fluent in English & German

PERKS

- High degree of responsibility and inside into a dynamic team
- Close interaction with the founders and the international team
- Competitive salary, free bags & an amazing & sun flooded office in the center of Berlin
