

THE EX CONSULTANT – CHANGE MAKER

CREATE THE BASIS FOR OUR SUCCESS (m/f – immediately)

REVOLUTIONIZING THE EUROPEAN HANDBAG MARKET

We are Buckle & Seam, the fastest growing direct-to-consumer bag brand in Europe. Located right in the center of Berlin we aim to make a difference in people's lives, be it for our customer, our manufacturers or the children's school that we support in Pakistan with 3% of our revenue. We are the odd one out in the industry. We do not outsource. We do it ourselves, as a team, here and abroad. With you we want to go the next step. Your combination of analytical and strategic mindset paired with a sense of humor will be an ideal fit to join our dynamic & international team.

YOUR ROLE

- Let's stop talking and learn how to execute and lead the way
- Start enjoying a (n acceptable) work-life balance
- Assessment of business opportunities and project implementation
- Team leadership ranging from hiring to management and feedback
- Creation of new scale-up business units in a fast-pace environment
- Budget and P&L responsibility on C-Level

YOUR PROFILE

- 2-4 years of top strategy consultancies w/ focus on consumer goods
- Proven track record of successful project management skills
- Strong communicator in German & English
- Hungry for change & driven by own analysis and decisions
- Wanting to create a lasting impact in the lives of others
- Precise and outgoing communicator with first team-management experience.

PERKS

- Finally something meaningful
- Close interaction with the founders and the international team
- High degree of responsibility and impact potential
- Competitive salary, free bags & an amazing & sun flooded office in the center of Berlin

Send your application, including a CV and your letter of motivation to georg.wolff@buckleandseam.com

About Buckle & Seam – We offer today's modern man a leather bag, that not only caters to his every day professional needs but, most of all, a bag that he feels comfortable wearing. Made out of vegetable tanned leather with a purpose in mind our bags offer a maximum of functionality with minimalistic design while serving a purpose. To learn more visit us @ www.buckleandseam.com
