

HAPPY VACATION

MATERIALS USED

White card stock and Watercolour paper

Luminary paints- ocean wave, mediterranean blue, sunflower, white.

Prismacolor markers

Scor-Pal

Craft knife

Zip dry glue and UHU glue

STAMPS USED

Chaise lounge chair with umbrella

Tropical island with palm trees and hammock

Seagull

Cats in Kayak

Watchful kitten

Bear napping in hammock

Cat and Dog

METHOD

1. Cut a sheet of white card stock 6 1/2 by 8 1/2 inches. Beginning 2 1/8 inches from top edge and 2 inches from left edge use a craft knife to cut a 5 1/4 inch slit into paper.
2. With long side horizontal score panel at 4 1/2 inches.
3. Place card stock on Scor-Pal so that slit is at bottom, and score at 2 1/8 inches, 5 3/8 inches, 6 1/2 inches and 7 1/2 inches, STOPPING AT THE SLIT, then fold at the scored points.

4. On three sheets of watercolour paper, using Luminary paints, colour them Ocean Wave, Mediterranean Blue, and Sunflower respectively, adding white paint to each as needed to make required shade.
5. Cut each coloured sheet to fit the folds in card. For the sea cut two pieces to overlap so the cat appears to be swimming in the “waves”.
6. Colour all the stamps with markers. Cut out the bear from the hammock stamp and glue to the chaise lounge chair. Make slit in cat’s arm so it fits over “wave”. Glue all the stamps in place.
7. Draw by hand clouds and rocks, adding Happy Vacation to one rock.
