## PALACE VERSAILLE 宮廷·凡爾賽

宜安集團(香港)有限公司  
E-On Classical Furniture

## PALACE VERSAILLE

*A representative of modern palace furniture, unique craftsmanship gave Versailles furniture its clear wooden pattern with smooth texture, natural matte, and exquisite 3-dimensional quality.*

*Palace Versailles furniture's genuine ivory-white color exhibits refreshing, non-washed out look that incorporates contained power, eccentric characteristics and impeccable elegance.*

*Complemented with wearing techniques seen in antiquated European palace furniture, wear-down effect is applied 5CM from the future façade's outer rim to create an antique and shadowy appearance.*

*Skillfully-crafted floral patterns handmade by artists from renowned art institute and silver foil ornaments beautifully embellished furniture background with natural colors, clear definition, and striking presence like real blossoming flowers.*

*Like a ballerina, the graceful, animated S-shape outline is a true, incisive image of unsophisticated French romanticism and grandeur.*

## I

## 宮廷凡爾賽

現代宮廷家具的代名詞，拉絲木紋的特殊工藝，紋路清晰，流暢無斷接，啞光自然，有立體感，天然的象牙白色清新而不蒼白，有力量而不張揚，個性而不隨流，優雅而不庸俗。並且延續歐洲宮廷家具的做舊工藝，所有外立面外圍5CM位置做舊成暗影效果，底色搭配嫺熟的花朵由著名的美術學院的美工師純手工繪製，以及銀箔的點綴，色調自然，層次分明，立體感超強，猶如一朵朵花鑲嵌在檯面上，“S”形的線條，如芭蕾舞演員身段一樣曲線優美生動，法式的浪漫與高貴撲面而來，把簡約浪漫演繹的淋漓盡致。

Ivory is an off-white color that resembles ivory, the material from which the teeth and tusks of animals (such as, notably, the elephant and the walrus) is made. It has a very slight tint of yellow.

# IV

All four elements were happening in equal measure - the cuisine, the wine, the service, and the overall ambience. It taught me that dining could happen at a spiritual level.

## ABOUT US

### **Who we are**

From our humble beginnings making curtains at the end of 1970s, we now manufacture one of the biggest range of classical furniture in China. While our workers working at the 60,000 square meter factory, we now manufacture varieties of high quality classical furniture in French or Italian Style featuring hand craftsmanship. Our range include Living Room, Dining room, Bedroom as well as Furniture accessories.

To ensure the level of quality and aesthetics, we continuously discuss new ideas with our local partners and professional interior designers. We are proud to say that we always lead the way in innovations and design. E-on exports to 20 other countries. Constantly growing, export sales comprises about 40% of our total turnover. The company is 100% Chinese owned with headoffice in Hong Kong, and own factory situated in Longgong, GuangDong Province (near FOXCONN and HUAWEI).

In addition, E-On has shops in Hong Kong, as well as franchises in varies major cities in China.
