ACTIVITY GUIDE

This kit contains 69 Phonics Blox and 30 activities (15 double-sided cards). It follows the Rainbow Phonics progression in accordance with systematic synthetic phonics instruction and the Science of Reading. Covers Phase 3 of Rainbow Phonics including the next 18 letter sounds and word-building examples. Phonics Blox act as tactile and visual aids to support the learning journey.

How to use

This kit is designed to be intuitive and easy to use.

- Begin by exploring the 15 double-sided activity cards, combining 30 progressively challenging activities in accordance with the Rainbow Phonics progression.
- Utilize the Phonics Blox to build words and captions, using them to show encoding and decoding of words.
- Follow the instructions on the cards where provided, and try to answer the associated questions.
- Feel free to explore and experiment beyond the cards, using the Phonics Blox to create your own words and spelling challenges.
- Use the Phonics Blox to help visualize and understand letter sounds and the decoding of words.
