

TATTOO PREPARATION

Eat a light meal prior to getting tattooed & drink plenty of water

Get a good night sleep the night before to reduce fatigue during the tattoo

Take a recommended dose of over-the-counter pain relief medication prior to tattoo

RECOMMENDED APPAREL

We recommend wearing loose fitting apparel during your tattoo session. This includes loose fitting athletic clothes, T-shirts, shorts etc... We provide any draping necessary for your privacy.

TATTOO AFTERCARE

Wash your hands with antibacterial soap before cleaning or applying lotion to your new tattoo.

Clean your tattoo using an antibacterial soap and warm water. We recommend 2-3 times per day.

Air dry or lightly pat with a clean towel or paper towel.

Apply a gentle, fragrance-free lotion to your clean tattoo 2-3 times per day.

Keep your tattoo clean, lightly moisturized and provide good airflow to the tattooed area. Refrain from scratching or itching.
