

OVERLORD PLATES

CAS LEVEL IIIA

Overlord Hard Armor Plates are designed and manufactured in the USA according to strict quality guidelines using state of the art manufacturing equipment and processes. Built to exceed military and law enforcement standards, the Overlord Plate is superior to other products on the market today. When it comes to weight, performance and cost there is no comparison. Overlord plates are designed to withstand ballistic and shrapnel threats of all types based on level of protection. Hard Armor plates can be used in a variety of CW or a competitor's carrier including soft armor carriers and hard plate carriers. Overlord plates are versatile and help to improve chances of rifle protection when worn by operators from military, law enforcement and other security personnel.

Design

The Overlord CAS is 0106.01 tested and is designed to defeat Level IIIA threats from high velocity handgun rounds. The CAS is a Super Lightweight UHMWPE (Ultra High Molecular Weight Polyethylene) based hard armor plate with proprietary advanced ballistic matrix material components.

- Protection: Level IIIA
- UHMWPE
- Positive Buoyancy: Product floats in water
- Threat Compliant: .357 SIG FMJ, .44 Magnum SJHP
- Also provides protection against the threats mentioned in [Types I, IIA, and II]
- Multi-hit capabilities
- Exterior Cover: 1000D Cordura®, Textured Nylon
- Available in Flat Full Cut Only
- Thickness: .25"

Warranty

5 years on all ballistic material excluding exterior cover
1 year on exterior cover material and workmanship

Terms of Sale

The above mentioned product is controlled for export purposes by the [U.S. Department of State](#) and cannot be sold to foreign persons within or outside the United States without government approval through an export license. You must further agree that the items being purchased will not be redirected or exported without first obtaining permission from the U.S. Government through the U.S. Department of State Directorate of Defense Trade Controls. Failure to follow these guidelines will result in our refusal of sale.

Size Chart

All sizes are measured in inches and the weights vary depending on cut. Please note: Overlord 10" x 12" Flat are considered nominal and the actual measurement is 9.5" x 11.5".
