We will show you how to make the most of your machine, learn new skills and crafts, achieve good, consistent results and above all, enjoy yourself and have fun!

### STRETCH KNITS –WRAP TOP

Wrap top OR dress

This style is flattering for nearly all body types. Cross over front is complimented by shaped hem line, an extended or  $\frac{3}{4}$  length sleeves.

Often when you buy this design in the shops the fabric can be cheap and clingy. The wrap can be too low and gape, the skirt wrap opens up all too easily when walking. You will learn how to draft the pattern to get the perfect fit for you. All the different types of stretch knits will be explained. Which quality works best for which design. See how easy it is to work with stretch fabric.

**REQUIREMENTS:** You will need to bring **pattern and fabric**. We can recommend a couple of Mccalls patterns: **M6964** basic t-shirt which is great base for cowl neck and the wrap front top, or **M7331** is an ensemble pattern with top, cardigan, skirt and trousers. You will need **2 to 3 meters Jersey fabric** which can do a t-shirt or a dress.

**Sewing Machine/Overlocker**, Foot Control & Lead, all Accessories, basic sewing kit (Threads, Needles, Pins, Scissors, Ruler, Tape Measure etc.) **Lunch**.

It is a good idea to think about clothes and underwear you wear on the day especially if you are coming to a class where you will need to try on things.

**VENUE:** ALL SAINTS PARISH HALL, CHURCH STREET, FRINDSBURY,  
KENT **ME2 4HE**

**DATE:** Wednesday 20<sup>th</sup> November 2019

**TIME:** 10-4pm
