

Certificate of Compliance

Certificate Number PLAS-030

Plasticade Lo-Pro™ Airport Barricade

Plasticade certifies that the Plasticade Lo-Pro Airport Barricade meets the requirements of the Federal Aviation Administration's Advisory Circular No. 150/5370-2G specification and performance standards.

In addition, the Plasticade Lo-Pro Airport Barricade is manufactured and assembled in the United States and, therefore, meets the requirements of the Buy America Act, the Buy American requirements contained in 49 CFR Section 50101, and the ARRA of 2009.

This certificate shall not be reproduced except in full.

Date of Issue: 1/8/21

A handwritten signature in black ink that reads "Henry A. Ross".

Henry A. Ross, Director of Government Relations
