STONE IRON

Variable Font Family • Weight

Stone Iron is a condensed vintage display typeface exuding strength and nostalgic charm, characterized by bold letterforms and distinctive spurs on each curve. Embracing OpenType features, it facilitates the creation of catchwords (and, for, of, on, or, the, to) through ligatures, enhancing visual appeal. The inclusion of a “TT” ligature ensures optimal spacing. Offering versatility, this typeface comprises 5 static fonts and 1 variable font with weight axes, allowing precise weight adjustments for typographic harmony in diverse design compositions. Ideal for logos, headlines, labels, posters, signage, and any application demanding impactful typography to underscore your message.
