## PHOTO AND DESCRIPTION

This ring, made of solid 14K gold, features a centerpiece of a naturally shaped freshwater baroque pearl, subtly enhanced with small brilliant-cut diamonds. Alongside the pearl, a raw sapphire crystal, unpolished and natural, adds a contrasting element with its rugged, unrefined texture. This singular design, with no second copy in existence, appeals to those who appreciate the genuine qualities of materials and seek to express their authentic selves through unique, visually striking jewelry.
