PHOTO AND DESCRIPTION

A standout piece from the Kabirski Gold Collection: a ring made from solid 14K Gold, featuring a wide front with fancy-cut Blue Sapphires and scattered Diamonds. The sapphires' bright color is achieved through special treatment. Utilizing German Kabirski's Stained Glass technique, the gemstones are set to touch the wearer's skin, in line with Vedic beliefs about gemstone magic. Handmade and reflecting the individual shapes of the sapphires, this ring is truly one-of-a-kind and intended for one person only.
