PHOTO AND DESCRIPTION

A standout piece from the Kabirski Gold Collection: a cross made of 14K Gold, serving as a medium to connect fully natural, untreated fancy Sapphires in a quirky puzzle. The raw sapphires are presented in the shapes they were found in nature, with no human alteration or polishing. This piece features a groundbreaking setting technique invented by designer German Kabirski, unlike any used in traditional jewelry. This one-of-a-kind piece is crafted for a special owner, destined to become a heirloom jewelry piece and a modern amulet, protecting it from the mainstream.
