

Peerless-AV® to Exhibit a Diverse Range of Digital Signage & AV Solutions at InfoComm 2022

New line of Neptune™ Outdoor Smart TVs, next gen Xtreme™ Outdoor Displays, SEAMLESS dvLED Mounting Systems, Interactive Display Mounts, and more at Booth N2831

AURORA, III – June 1, 2022 - Peerless-AV®, a leading designer and manufacturer of innovative audio and video solutions and accessories, is pleased to announce its showcase at InfoComm 2022, June 8-10 at the Las Vegas Convention Center. Peerless-AV and its team of professionals will be exhibiting a wide range of digital signage and AV solutions, including dvLED video wall mounting systems, outdoor TVs/Displays, kiosks, mobile carts, and more in Booth N2831.

Peerless-AV is proud to present and display the following products at InfoComm 2022:

SEAMLESS dvLED Video Walls

The uniquely designed [SEAMLESS dvLED Mounting Systems](#) will be a main showcase in the Peerless-AV booth this year. Available in both Bespoke and Kitted options, these innovative mounting systems are designed to solve even the most complex design and integration challenges to create an ideal solution for any unique application. SEAMLESS Kitted solutions offer the highest level of Z-adjustment to help overcome installation irregularities. SEAMLESS Bespoke solutions are precision manufactured for tight tolerances, offering a meticulous fit for custom shapes and aggressive curves.

Outdoor-Rated TVs and Displays

On show this year will be Peerless-AV's latest edition to the Neptune™ lineup, the [Neptune Partial Sun Outdoor Smart TVs](#). Available in 55", 65", and 75", the Neptune Partial Sun Series offers a maintenance-free design and can withstand harsh weather conditions, while still offering exceptional color and video quality from any viewing angle. Ideal markets for this solution include hospitality, stadiums, and other light commercials applications.

Alongside, will be a first time US showing of the 75" Xtreme™ High Bright Outdoor Display with new generation 65" and 55" display models. Designed for all-weather, extreme temperature applications, these new models retain an unmatched ingress protection (IP) rating and award-winning feature set with significant mechanical and operating system enhancements. The new models are fan cooled and include a patented thermal exhaust system that keeps internal components cooled in extreme heat. They also include a gyroscopic sensor that detects any movement of the display and sends an alert to warn of potential tampering or theft.

Kiosks and Digital Menu Boards

Kiosks at the booth include the Outdoor Digital Menu Boards ([KOF555 Models](#)). These modular, all-weather-rated outdoor digital menu boards support 55" outdoor digital signage displays from Peerless-AV and LG.

Peerless-AV will also be exhibiting an Outdoor Smart City Kiosk with 55" Xtreme™ High Bright Outdoor Displays ([KOP25-XHB Models](#)). These modern kiosks are functional and can endure the rigors of everyday use. The Smart City Kiosks are easy to install and are ideal for sharing community information, travel, weather details, and more. Also on display will be the versatile, indoor Portrait Kiosk ([KIPC25 Models](#)), which is an ideal solution for wayfinding, advertising, digital merchandising, and more.

Interactive Display Mounts and More

Peerless-AV will also be showcasing a variety of standard mounting solutions ideal for interactive displays. These include [Rotational Mounting Solutions for the Samsung Flip 2](#), [SmartMount® Mounting Solutions for the 50" Microsoft® Surface™ Hub 2S, 2X](#), and [SmartMount Motorized Height Adjustable Mounting Solutions](#).

Additional display mounts include SmartMount Digital Menu Board Mounts ([DS-MBZ Models](#)), DesignerSeries™ Articulating Wall Mounts ([OSUA771PU](#), [IM771PU](#)), Universal TV Stand ([PTS6X4](#)), and more.

Training Sessions You Won't Want to Miss

In addition to exhibiting new and award-winning solutions, Peerless-AV will also be participating in two different trainings on Wednesday, June 8th. Click below to learn more and be sure to register prior to the show!
