

Peerless-AV® Joins Almo Professional A/V's Spring E4 AV Tour

AV Solutions Provider to Showcase Award-Winning Outdoor Displays and TVs, Mounts, and Kiosks

SAN JOSE, Calif. – April 19, 2017 – [Peerless-AV®](#), the leader in innovative audio visual solutions, has joined [Almo Professional A/V](#), North America's largest professional audio visual distributor, to give resellers, integrators and consultants the opportunity to discover their own "Lightbulb Moment" during the award-winning [E4 AV Tour](#), coming to [San Jose](#) on April 19.

Peerless-AV will exhibit various solutions, including its [Xtreme™ Outdoor Daylight Readable Display](#), [UltraView™ Outdoor TV](#), [SmartMount® Supreme Full Service Video Wall Mount](#), and [NEW Indoor Portrait Kiosk](#) during this event. Peerless-AV will also be offering a preview of the new Collaboration Cart with Vertical Lift coming out later this summer.

"As a long-time E4 exhibitor, we have seen the true value in taking part in E4 and always look forward to this event," said Earl Naegele, Managing Director, Commercial Sales, Peerless-AV. "Not only do we get the opportunity to meet with resellers and installers, but we also get to share our innovations and project ideas with all attendees."

The E4 AV tour has traveled to cities around the country to provide product, technical and business training needs to thousands of resellers and installers while creating the ideal forum for professional networking. Named the best [Training, Consulting/Business Service](#), the E4 program offers AV professionals a full day of educational sessions worth InfoComm Renewal Units as well as exclusive access to the newest high energy AV products and services.

"We always look forward to having Peerless-AV on the E4 AV Tour -- the team always brings a great show of new products as well as knowledgeable professionals who are engaging and resourceful to our attendees," said Melody Craigmyle, Vice President of Marketing for Almo Professional A/V.
