TWICE PICKS: THE BEST OF CES 2016

Rock

The Great Outdoors requires Big Sound: NYNE's rugged Rock wireless Bluetooth speaker meets the challenge and then some! Featuring 65-watts of power, two midrange speakers, two tweeters, and a subwoofer, Rock packs a serious punch. If you're not afraid of dust or a few raindrops, neither is the Rock. Its sturdy rubberized finish and IPX-3 rating make it perfect for tailgate parties, outdoor barbecues, and ATV adventures. In addition to booming power, the Rock is all about making it easy to have fun. Connect quickly via NFC one-touch, or via Bluetooth 4.0. Use Rock's integrated hands-free microphone to invite more friends to the party. There's a hidden carrying handle – just in case you need to quickly change the location of the party. Last but not least Rock's rechargeable lithium ion battery provides up to 8-10 hours of play time for those celebrations that go well into the night.

Pocket Drone

There is nothing on the market quite like Odyssey Toys' Pocket Drone! The size of an iPhone, the Pocket Drone is the world's first collapsing video drone that is lightweight and can easily fit into your pocket. This first generation will come with its own carry pouch and remote. Plus, it features collapsible blades that can be tucked neatly inside the unit for easy transport. When you're ready to fly, simply pull out the blades and within 30 seconds, you and your family can launch the Pocket Drone into the sky. With the built-in High-Definition camera, you can capture video and pictures that save directly to the included Micro SD Card. The Pocket Drone features next-generation gyro technology, ensuring operation both indoors and outdoors with incredible stability, as well as 2.4 Ghz WiFi technology, USB charging, and LEDs for night flying.

LifeProof FRE Power for iPhone 6s Plus

The iPhone 6s Plus has a large, vibrant screen and powerhouse camera. Great for streaming, sharing and capturing every moment, but not so great for battery life. LifeProof is taking the iPhone 6 s Plus where it hasn't gone before, and for much longer, with FRE Power for iPhone 6s Plus. Combining 2x battery capacity with LifeProof's No. 1-selling waterproof design means there's pretty much no where that you can't take the iPhone 6s Plus. Specs: • Waterproof to 6.6 feet (2 meters) for one hour; • Drop proof up to 6.6 feet; • Totally enclosed from dirt and snow – IP68 Ingress Protection rating • 3,200 mAh lithium ion battery • Built-in screen protector guards against scratches and scuffs with no noticeable degradation in • Complete access to all features and functions, including Touch ID and 3D Touch • Optical glass covers camera lens for clear, sharp photos and videos • Rapid Recharge quickly charges up the case battery • Auto Stop technology shuts off the case when the device battery reaches 100 percent, saving charge for later • Retail price: 149.99 • Also compatible with iPhone 6 Plus

Xtreme Outdoor Soundbar

Peerless-AV's Xtreme Outdoor Soundbar (SPK-060) is ideal for homeowners looking to maximize their outdoor audio experience. The only powered outdoor soundbar on the market, the Peerless-AV Xtreme Outdoor Soundbar provides full range audio (50Hz-20kHz) and outputs 180W Total System Power, producing higher quality sound at a louder volume. With an IP65 rating, the Xtreme Outdoor Soundbar is a true outdoor solution, able to withstand climate and weather changes. For ease in use, the Xtreme Outdoor Soundbar features a universal mounting option, making it possible to integrate with any display or TV. Plus set-up is simple with a standard analog input. The Xtreme Outdoor Soundbar can also be used as a standalone product thanks to its Bluetooth compatibility, which allows for music to be wirelessly streamed from any Bluetooth-enabled device. Featuring an aesthetically pleasing sleek design and constructed from rugged materials, the Xtreme Outdoor Soundbar offers a thin, low profile that easily blends into any environment. The Xtreme Outdoor Soundbar comes with a 12-button IR remote control that can manage the power level, tone, and input selection, as well.
