### THERE'S MORE TO SEE.

Go to [cepro.com/best](http://cepro.com/best) to read full descriptions and see photos of all 150+ products.

### ↳ HVAC INTEGRATION SYSTEM/ CONNECTED THERMOSTATS

**Savant Systems**  
**Savant SmartClimate**  
 Savant's SmartClimate is a centralized HVAC

processing unit, delivering precise control of up to eight zones of wired thermostats and sensors with extreme configuration flexibility. The CLI-8000 simplifies the integration of heating, ventilation and air conditioning systems. \$1,600, [savantsystems.com](http://savantsystems.com)

### ↳ INTEGRATED SECURITY SYSTEM/ MODULE/DEVICE/SURVEILLANCE

#### CAMERAS

**Honeywell Security**  
**LYNX Touch 7000**

The LYNX Touch 7000 is the most-advanced version of Honeywell's popular all-in-one security system. The company's first all-in-one controller supports up to four video cameras and controls everything from thermostats to garage doors and lights. N/A, [honeywellsecurity.com](http://honeywellsecurity.com)

### ↳ RUNNERS-UP

**Linear GD00Z Z-Wave Garage Door Controller**  
 \$99, [linearcorp.com](http://linearcorp.com)
