

Peerless-AV® Releases 2016/2017 Product Catalog

Featuring 240 pages, the new catalog provides customers with the latest audio visual products and information

AURORA, Ill. – October 24, 2016 – Peerless-AV®, the leader in innovative audio and video solutions and accessories, is pleased to announce the release of its 2016/2017 product catalog.

The catalog, available now in both digital and print versions, showcases Peerless-AV's unrelenting commitment to innovation, best-in-class products, and maintaining its position as a leader in the AV industry.

“As innovators in the AV space for the last 75 years, a core focus of our business has centered around consistently evolving our solutions and offering our customers the latest technological developments,” said John Potts, President, Peerless-AV. “Our new product catalog illustrates our continued advancement of new products, such as our UltraView™ Outdoor TV, and presents product information in a clear, logical order.”

Peerless-AV's new product catalog covers the company's extensive product lines, including mounting solutions, weather resistant outdoor displays/TVs, fully integrated kiosks, wireless solutions, and more.
