

Peerless-AV® Introduces New Residential Solutions at the 2016 CEDIA Expo, Booth 2902

Products on display include outdoor TVs, soundbar, and mounts to create dream backyard

DALLAS – September 15, 2016 – Peerless-AV®, the leader in innovative audio and video solutions and accessories, is pleased to announce its showcase at this year's CEDIA Expo from September 15-17.

Exhibiting at **Booth 2902**, Peerless-AV will be introducing new solutions, including its line of [UltraView™ Outdoor TVs](#). Available in a range of sizes, the 49" and never-before-seen 65" versions will be on display. Complementing its TVs, Peerless-AV will be showcasing its [Xtreme™ Outdoor Soundbar](#), the only powered outdoor soundbar on the market offering 180 watts total power, Bluetooth® compatibility, and full range audio (50Hz - 20kHz).

To provide ease in mounting displays, TVs, and projectors, Peerless-AV will be exhibiting mounts from its SmartMount® and DesignerSeries™ lines. Mounts on display from the SmartMount® line include multiple SmartMount® Universal Tilt Wall Mounts ([ST650](#) and the new [ST670](#)), the SmartMount® Articulating Wall Arm ([SA761PU](#)), the SmartMount® Precision Gear Projector Mount ([PRG3-EXC-W](#)), and the SmartMount® Projector Mount ([PJF3-EXC-W](#)). DesignerSeries™ mounts on display include the DesignerSeries™ Ultra Slim Articulating Wall Mount ([SUA740P](#)) and the DesignerSeries™ Universal Ultra Slim Articulating Wall Mounts ([SUA761PU](#) and [SUA771PU](#)). Peerless-AV's Outdoor Articulating Wall Mount ([ESA763PU](#)) and Outdoor Universal Tilt Wall Mount ([EPT650](#)) will be at the booth, as well.

Peerless-AV will also be showcasing wireless solutions at CEDIA, including the PeerAir™ Pro Wireless AV Multi-Display System ([HDS300](#)). When running wires isn't possible, the PeerAir™ Pro, with an extended wireless distance of 210 feet, is the ideal solution. It can multicast Full HD 1080p and passive 3D signals wirelessly to up to six displays, and with a pass thru port on the transmitter, a seventh display can be wired locally. Also on display will be the PeerAir™ Wireless HD Multimedia System ([HDS-WHDI100](#)), with a wireless distance of 100 feet.

To celebrate its recognition as the official outdoor display provider of the Daytona International Speedway®, Peerless-AV will be hosting a DAYTONA 500 Giveaway at the booth. Winners will be selected on **Friday, September 16 at 4:00 pm**. The Grand Prize Winner will receive two tickets to the VIP section at the 2017 DAYTONA 500, a three-night hotel stay, airline gift card, and spending money. Second place winners will be awarded an exclusive NASCAR prize package.
