

Peerless-AV® Named a 2019 Brand Official of Forbes Travel Guide Company selected as the Official TV Wall Mount & Outdoor TV Provider for the Luxury Hospitality Industry

AURORA, III. – March 12, 2019 – Peerless-AV[®], an award-winning designer and manufacturer of the highest quality audio and video solutions and accessories, is excited to announce that it has been named the Official TV Wall Mount & Outdoor TV Provider of <u>Forbes Travel Guide</u>.

Each year, Forbes Travel Guide selects brand officials to represent the finest products and services available in the luxury hospitality industry. As an authority on the subject, the company launched this program to help hotels and spas determine which top brands would aid in providing guests with incredible experiences. This year, thirty-five brands, offering everything from caviar to cleaning services, met Forbes Travel Guide's high standards.

With a complete range of AV products, including LED and LCD video wall mounting systems, fully sealed outdoor TVs and displays, TV wall mounts, and kiosks, Peerless-AV's solutions seamlessly align with the aesthetic and customer-centric features expected in luxury hospitality settings.

"Peerless-AV provides hotels with a wide range of audiovisual solutions, from highquality UHD outdoor televisions suitable for year-round use to strong yet sleek indoor TV wall mounts," says Filip Boyen, CEO of Forbes Travel Guide. "Plus, these solutions have a seamless aesthetic that can be easily installed and maintained, which is essential for hotel guest rooms, lobbies, and more."

Two of the most commonly employed Peerless-AV outdoor solutions are the <u>UltraView[™]</u> <u>UHD Outdoor TV</u> and <u>Xtreme[™] High Bright Outdoor Displays</u>. The UltraView[™] UHD Outdoor TV's maintenance-free displays offer 4K ultra high-definition resolution and an operating temperature range between -22°F and 122°F. The Xtreme[™] High Bright Outdoor Displays are also maintenance-free and capable of operating in extreme temperatures (-31°F to 140°F). The displays are fully sealed to protect against the elements, and provide an anti-reflective, high-definition screen for optimal outdoor viewing. Both of these solutions can be implemented in any environment for outdoor entertaining, advertising, wayfinding, and more.

"We are pleased to be recognized by Forbes Travel Guide as a trusted brand for hospitality venues," said Nick Belcore, Executive Vice President, Peerless-AV. "At Peerless-AV, we pride ourselves on offering high-quality products and services that address all of our clients' audio visual needs. From television mounts in guest rooms, to durable outdoor TVs in bar and lounge areas, to eye-catching video walls in hotel lobbies, Peerless-AV is able to create solutions that continuously enhance guests' experiences."
