

Peerless-AV® Puts Its Latest AV Solutions on Display at Digital Signage Expo 2019

New kiosks, mounts, outdoor solutions, and more will be shown in Booth 2407

LAS VEGAS – March 26, 2019 – Peerless-AV®, an award-winning designer and manufacturer of the highest quality audio and video solutions and accessories, is pleased to announce its showcase at the 2019 Digital Signage Expo (DSE), from March 26 to 29 at the Las Vegas Convention Center. The brand will also serve as a Presenting Sponsor of the show, a position it has held for the last 3 years.

Exhibiting in Booth 2407, Peerless-AV will display a variety of digital signage solutions, including kiosks, video wall mounts, outdoor displays, and more. Brian McClimans, Peerless-AV's VP of Sales, Americas and APAC, will also moderate a speaking session discussing "What's Next in Displays."

Products within the booth include:

Kiosks

Peerless-AV's booth will feature the award-winning [Smart City Kiosk](#) in a 55" Double-Sided model. With an elegant, minimalistic design that includes covers that protect and ventilate the kiosk's displays and equipment, the addition of two screens allows for greater public engagement as well as seamless updates to digital content that can be easily read, even in bright sunlight.

Another kiosk on display is Peerless-AV's upgraded [All-in-One Kiosk Powered by BrightSign®](#) (KIPICT2555), which features a sleek and stylish design with leaner frames and a smaller footprint, creating a complete digital signage solution for any indoor application setting. The KIPICT2555 includes ten points of IR touch and can be utilized for a range of applications, including entertainment, advertising, digital merchandising, and more.

With a wide offering of kiosk solutions, Peerless-AV will also showcase its new all-weather rated [Outdoor Digital Menu Boards](#) (KOF555-1OHF, KOF555-XHB), as well as the Volta Electric Vehicle Charging Station For integrators at the show, Peerless-AV will be demonstrating its [KioskBuilder™](#).

Digital Signage and Mounts

For attendees interested in LED solutions, Peerless-AV's booth will prominently feature its award-winning SEAMLESS by Peerless-AV® LED Video Wall Integration Program. The brand will be demonstrating its [LED Mount Configurator](#) along with its [SmartMount® LED Video Wall Mounting System](#) (DS-LEDF). Designed to support various LED display

sizes and brands, the DS-LEDF offers a slim, space-saving, and aesthetically pleasing design that can be adapted to support any display specifications and video wall configuration.

Also in the booth will be Peerless-AV's line of SmartMount® Video Wall Mounts, including the range of Supreme mounts (DS-VW775, DS-VW775-QR), as well as the Full Service Slim Video Wall Mount with Quick Release (DS-VW755S), the Large Format Full Service Video Wall Mount with Quick Release (DS-VW795-QR), and the Digital Menu Board Mount with Height and Depth Adjustment (DS-MBZ647L).

Emerging Technology

Rounding out Peerless-AV's booth will be the [Xtreme™ High Bright Outdoor Displays](#) (XHB432, XHB492, XHB552).

Available in 43", 49", and 55", the Xtreme™ High Bright Outdoor Displays are rugged enough to withstand the harsh outdoor elements, while still offering a bright, crisp picture and a maintenance-free design.

"What's Next in Displays"

In addition to exhibiting new and award-winning solutions, Brian McClimans, Peerless-AV's VP of Sales, Americas and APAC, will be moderating a speaking session addressing ["What's Next in Displays"](#) on Wednesday, March 27 from 4:00 - 4:50 pm in Room S21. Join McClimans, along with industry peers as they discuss the future developments in display technologies.
