

Peerless-AV® To Exhibit New Indoor and Outdoor AV Solutions at ISE 2019

Xtreme™ High Bright Outdoor Displays and Indoor and Outdoor Kiosks to be demonstrated in Hall 12, Booth H90

AURORA, Ill. – January 17, 2019 – Peerless-AV®, an award-winning designer and manufacturer of the highest quality audio and video solutions and accessories, is excited to announce its showcase for **ISE 2019**. Products including Xtreme™ High Bright Outdoor Displays, along with a range of fully integrated, indoor and outdoor kiosks will be on display in **Hall 12, Booth H90**.

Debuting at ISE 2019, Peerless-AV's [Xtreme™ High Bright Outdoor Displays](#) (XHB432, XHB492, and XHB552) will be put to the test in various impact and water demonstration scenarios, highlighting the resilient, all-weather capabilities. The outdoor displays offer full HD 1080p resolution for a bright, crisp picture and color accuracy up to 178°. Featuring a fully sealed IP68-rated design and an operating temperature range of -31°F to 140°F (-35°C - 60°C), there is no need to change filters or service the display, creating a maintenance-free solution for year-round use. Available in 43", 49", and 55", the Xtreme™ High Bright Outdoor Displays include IK10-rated cover glass for the ultimate screen protection, remote and local monitoring functionality, 2500 nits of brightness, an updated input panel/compartments and cord cover, and IR control and button board lockouts.

In addition to the Xtreme™ High Bright Outdoor Displays, Peerless-AV will also be showcasing its new [Smart City Kiosk](#) (KOP25-XHB, KOP25-OHF). With a focus on functionality and aesthetics, the Smart City Kiosk is designed to be modern, approachable, practical, and endure the rigors of everyday use. To accommodate a variety of displays, the Smart City Kiosk can incorporate a 49" or 55" Xtreme™ High Bright Outdoor Display, or a 46" or 55" Samsung OHF Display. The all-weather rated Smart City Kiosk is ideal for sharing community information, travel, and weather details, as well as advertising, entertainment, and more.

Other products on display include a variety of information and wayfinding kiosks, including the [All-in-One Kiosk Powered by BrightSign®](#) (KIPICT2555) and the [Universal Indoor Portrait Kiosk](#) (KIPC25).

Peerless-AV will be exhibiting its range of AV solutions at ISE 2019, Hall 12, Booth H90 from February 5-8, 2019. To schedule a booth interview, contact *Beth Gard*, bethg@lotus823.com.
