

Peerless-AV® Wins Systems Contractor News 2017 Products of the Year Award

The company's SmartMount® Collaboration Cart with Vertical Lift featured among some of the year's newest and most innovative technologies

AURORA, Ill. – November 28, 2017 – Peerless-AV®, an award-winning designer and manufacturer of the highest quality audio and video solutions and accessories, is excited to announce that its **SmartMount® Collaboration Cart with Vertical Lift** has been named as one of **Systems Contractor News' "2017 Products of the Year."**

Peerless-AV's SmartMount® Collaboration Cart with Vertical Lift is part of the brand's recent line of vertical lift carts. Ideal for corporate and educational settings, these carts are ADA-compliant and UL rated so the height of displays can be quickly adjusted with just the touch of a finger.

"We are honored to be recognized by Systems Contractor News for our SmartMount® Collaboration Carts," said Nick Belcore, Executive Vice President of Global Sales and Marketing, Peerless-AV. "We are dedicated to providing solutions that offer ease of use and intuitive interactive functionality for end-users. Recognition for the innovation, versatility, and safety that goes into designing our solutions is a high praise."

The Systems Contractor News Products of the Year Award showcases the new and innovative technologies that are redefining the AV industry. Winning products are selected by the editors of Systems Contractor News based on the top announcements made throughout the year.

The SmartMount® Collaboration Cart with Vertical Lift was first introduced in June 2017 as a collaborative solution with integrated touch technology that can be utilized by multiple users at one time. The additional value of ADA compliance has made the cart accessible for all users in various application settings.

Key features of the SmartMount® Collaboration Cart with Vertical Lift include:

- Height adjustment up to 15.75" (400mm) with the touch of a finger
- Intuitive and zero maintenance design
- Lockable rear enclosure for storage of a PC, power supply, and cabling
- Capacity to add an external Wi-Fi antenna
- Compliance with ADA Standards for Accessible Design, Section 308
- Accommodation for displays ranging from 90.2 to 209 lbs.
- UL rating for safety assurance, passing tip, load and drag testing

Peerless-AV's SmartMount® Collaboration Cart with Vertical Lift has also been recognized by Tech & Learning in the Best of Show Awards for InfoComm 2017.
