

## **Peerless-AV® Shows Latest Audio Visual Solutions at ISE 2020**

*Outdoor displays and TVs, indoor and outdoor kiosks, dvLED mounting solutions, and more in Hall 12, Stand F90*

**AURORA, Ill. – February 4, 2020** – Peerless-AV®, an award-winning designer and manufacturer of innovative audio and video solutions and accessories, is excited to announce its showcase for **ISE 2020, Hall 12, Stand F90**. In addition to the brand's award-winning [SEAMLESS LED video wall mounting systems](#), Peerless-AV will also be showing an outdoor TV at ISE for the first time, alongside outdoor displays, outdoor and indoor kiosk solutions, video wall mounts, and a variety of new must-see products.

Visitors to the Peerless-AV stand will see the [UltraView™ UHD Outdoor TV](#), an all-season solution for outdoor entertainment and living. [Xtreme™ High Bright Outdoor Displays](#) will also be shown, along with complete immersion and dust tanks to demonstrate the unique fully sealed design and the products' resilience to water and dust ingress.

Also in the outdoor area, visitors will see the [Smart City Kiosk](#) along with a custom designed outdoor kiosk, highlighting Peerless-AV's standard products as well as the possibilities offered by their bespoke design service. Peerless-AV's range of indoor kiosks on display include a [Portrait Back-to-Back Kiosk](#) alongside custom solutions.

Showcasing the breadth of its [SEAMLESS LED Video Wall Integration Program](#), Peerless-AV will feature a range of custom mounting solutions, including a wave ticker tape, curved floor-to-ceiling video wall, and an in-window video wall on a track system. Peerless-AV's expert team will also be at the show, offering technical advice and recommendations for specific project or application requirements.

In addition, the [Mobile Cart with Rotational Interface](#) and [Rotational Wall Mount](#) for the 65" Samsung FLIP will be in the stand, along with the [Ultra Stretch Portrait Kiosk](#) as well as a variety of custom mounting solutions ideal for pro AV applications.

See all these products, and more, in action during ISE from February 11-14 at the RAI Amsterdam in **Hall 12, Stand F90**. Visitors can also receive free show registration using the invitation code **705303**.
