**What's it like living on your island?
All sitting pretty with your head in the sand
What's it like living on your island?
Can't see the razor-wire from where we all stand.**

**Is that the dregs of the world coming in all around you?
You ivory tower's getting tighter each day.
Is this the rest of the world coming in all around you?
We're right beside you Jack and we're OK.**

**What's it like living high and mighty?
Sniffing a wind that changed while you were afraid.
What's it like living high and mighty?
All dressed in sweetness but designed for decay.**

**Is this the rest of the world coming in all around you?
You ivory tower's getting tighter each day.
Is this the rest of the world coming in all around you?
We're right beside you Jack cos we just want a**

**Good Day, and good day, baby and I'm not losing my sleep.
Woo! Cos one day maybe, we'll wake up dead on our feet.
We just want a good day, a good day baby. Barbarians on our street.
Woo! Cos one day maybe, they're gonna shit where we eat.
No need to drag our feet again.**
