

## **“TRACING FLOOR”**

© Sept 2009 Ronnie Taheny

Something's got a hold of your mind.  
Something's got a hold of your mind.  
The more you try to shake it, the more you'll find  
Something's got a hold of your mind.

Someone's got a hold-  
Someone's got a hold-  
It's the hand that draws you that serves to keep you in binds.  
Someone's got a hold-  
This time.

Something's got a hold-  
Someone's got a hold-

I defend my innocence.
